

Business Insurance designed exclusively for the

Hotel and Hospitality Industry

The hospitality industry has a number of exposures to loss that require a sophisticated approach to creating an insurance program. Liquor liability, slip and fall claims, and water damage are a growing concern for restaurants, banquet halls, and hotels.

Hotels offer amenities and services that can increase the possibility of experiencing a loss. Exposures created by swimming pools, exercise facilities, spa services, personal trainers, shuttle buses, and valet parking require skilled problem solving solutions.

We understand the hospitality industry. The CG&B Group are hotel insurance specialists who will partner with you to customize an insurance program appropriate for your unique operations. We have designed a hotel insurance program that includes the following special coverage:

- **Liquor Liability**
- **Innkeepers Liability**
- **Hotel Evacuation Business Interruption**
- **Food Contamination, including negative Public Relations Expense**

In addition to the above, the insurance program we recommend may include other insurance coverage that will protect the tangible and intangible business assets, such as:

- **Property & Liability Insurance**
- **Shuttle Bus & Valet Parking Insurance**
- **Boiler & Equipment Breakdown**
- **Employee Dishonesty Insurance**
- **Director's & Officer's Liability Insurance**
- **Professional Liability for Spa Services**
- **Pandemic Disease Expense Coverage**
- **Pollution Insurance**
