No. The program is exclusive to active OPSEU members.

Where else can I get Professional Liability Insurance (PLI)?

We recommend you contact your professional association or college if you are not eligible for the OPSEU program or if you choose to purchase PLI elsewhere.

Should I use my home or office address on the application?

Either address is acceptable. Correspondence and insurance documents will be mailed to the address you provide to us.

What should I choose for my effective date?

You can choose any effective date that isn't in the past. However, the program has an expiry date of January 1st every year.

I am applying mid-term. How much do I pay?

The full premium applies regardless of when you join - it is a flat price.

I am applying mid-term. Can my policy term include the rest of this year *and* next year?

No. Regardless of when you join, the policy term ends on January 1st of each year.

Does this policy cover me while working at a second job?

Coverage applies to insured professional activities regardless of where you work (it is 'personal professional liability' that follows you). Coverage also applies to multiple places of employment for insured professional services.

Does this policy cover expenses related to appearing before the regulatory body of my profession as well as legal action?

Coverage includes Legal Expense Coverage for Disciplinary Action (\$75,000 limit).

A 12-month Extended Reporting Period ('Run-off' coverage) is included in the premium.

Additional lengths of time are available at an additional premium. An Extended Reporting Period beyond 12 months is NOT automatic - you must notify us of Retirement/Death/Disability/Cessation of Business in order for this to be arranged.

I'm going on maternity leave. Do I still need coverage?

Yes. Coverage must be in force at the time a claim is made against you - your activities prior to taking maternity leave could result in a claim while you are away from work.
